A peaceful gem in the heart of Montreal's West Island

Built in Pointe-Claire and featuring units offering an unparalleled living experience, **the Lib Hymus residential complex** is truly one of a kind. Its unique appeal lies in the seamless blend of vibrant urban living and the tranquility of nearby green spaces — a combination meant to win you over.

Occupying **10 floors**, the **205 rental condos**, ranging **from one to three bedrooms**, offer a peaceful living environment. Each apartment combines comfort, elegance and quality materials.

More than a rental condo, it's a lifestyle

Enjoy the privacy of your apartment while keeping an active and social lifestyle, thanks to our bright, versatile and welcoming common areas. The furniture selected for these living areas is thoughtfully chosen to showcase the expertise of Quebec designers, reflecting our commitment to supporting local talent.
